

# RURAL MUNICIPALITY OF LAC DU BONNET

## Solid Waste Disposal Facilities

### BY-LAW No. 05-21

**BEING** a by-law of the Rural Municipality of Lac du Bonnet to regulate the deposit of waste on public or private property, to establish regulations and fees at Solid Waste Disposal Facilities, and to repeal By-Law No. 13-18.

**WHEREAS** section 232(1) of *The Municipal Act* empowers a municipality to pass by-laws respecting the safety, health, protection and well-being of people, and the safety and protection of property;

**AND WHEREAS** section 250(2) empowers a municipality to acquire, maintain and operate services and facilities;

**AND WHEREAS** subsections 252(1)(a) and (c) authorize a municipality to set terms and conditions in respect of users of service facilities, including setting charging and collecting fees and other charges;

**AND WHEREAS** subsection 252(1)(c) permits a municipality to discontinue or disconnect a service and refuse to provide the service to users who fail to comply with the terms and conditions for use;

**AND WHEREAS** the Council of the Rural Municipality of Lac du Bonnet deems it necessary and expedient that the depositing of solid waste on public and private property and the use of Solid Waste Disposal Facilities is regulated and controlled;

**NOW THEREFORE** the Council of the Rural Municipality of Lac du Bonnet in council assembled hereby enacts as follows:

**THAT** the following locations shall be designated as Waste Transfer Stations:

**Transfer Station #520:** 101 – PR 520 Lac du Bonnet, MB

**Transfer Station #214:** 1302 – PR 214 Lac du Bonnet, MB

#### 1. DEFINITIONS:

**Bag** – means a flexible containment device with a single opening, not measuring more than 26 inches by 36 inches in size.

**Environmental Law** – means any Provincial, Federal, or local legislation, regulations, code, guideline, approval, license, directive policy, user guide, standard or other form of criteria that impacts air, water, plant-animal-human health and includes without limitation criteria that may be established in regard for: health and safety, environmental impact assessment, environmental protection, waste management, hazardous waste, transportation of dangerous goods, ozone depleting substances, used oil products and materials, pesticide, and fertilizer.

**Facility** – means the transfer stations operated by the Rural Municipality of Lac du Bonnet.

**Resident** – means:

- a. An owner of a real property shown on the Municipality's tax roll.
- b. An owner of a Commercial or Agricultural establishment within the Rural Municipality of Lac du Bonnet.

**Non- Resident** – means a person who does not own a real property in the Rural Municipality of Lac du Bonnet.

**Waste Transfer Station Access Card** – means a transfer station access card with printed barcode that allows designated staff to determine access and/or requirement of fee amount(s) due. The Waste Transfer Station Access Card has no monetary value.

#### 2. CLASSES OF WASTE:

The following shall define for the purpose of this by-law the classes of waste that may be disposed of at the Waste Transfer Station(s):

- a. **Agricultural Waste** – shall mean excess materials derived from agricultural activities and without limiting the generality of the foregoing shall include but is not limited to crop residues, herbicides, pesticides, fertilizers and like materials from all agricultural pursuits.
- b. **Combustible Waste** – shall mean clean tree branches, wood, and lumber packaging.
- c. **Concrete Rubble Waste** - shall mean cement and concrete waste without rebar or metal.

- d. **Construction/Demolition Waste** – shall mean building waste resulting from remodeling, renovations, repairs, or demolition of burned structures and includes but is not limited to plaster, drywall, glass, shingles, siding, electrical and plumbing fixtures and piping or any combination thereof. Items that are recyclable will not be accepted comingled with waste that is deposited in the bins.
- e. **Excavation Waste** - shall mean natural soil, earth, sand, gravel, asphalt, concrete (no rebar) and stone or mixtures thereof.
- f. **Hazardous Waste** – shall mean a substance that is designated a hazardous waste by regulation under the *Dangerous Goods Handling and Transportation Act*.
- g. **Commercial Waste** – shall mean solid waste materials resulting from or incidental to a commercial contractor, operations or business where a service transaction is provided, and a payment received or any waste generated at a place of business excluding any construction demolition waste or industrial waste.
- h. **Residential Waste** – shall mean non-recyclable solid waste materials generated from a household and must be bagged.
- i. **Re-usable Waste** – shall mean waste materials made of metal or real wood.
- j. **Metallic Waste** – shall mean but is not limited to appliances and any other item good or thing comprised entirely or mostly of some type of metal substance.
- k. **Recyclable Waste** – shall mean cardboard, paper, plastic, glass, or any item accepted by the Multi-Material Stewardship Manitoba (MMSM)
- l. **Watercraft Waste** – shall mean watercrafts not longer than 18ft in length, paddle boats, and hot tubs.
- m. **Waste Oil** - A petroleum or synthetic crankcase oil, engine oil or other fluid capable of use for lubricating purposes in machinery or equipment which, as a result of use, storage or handling can no longer be used for its original purpose. Oil must be transported in containers and must not exceed twenty (20) Liters.
- n. **Waste Tires** – shall be limited to passenger (light duty truck and car) tires off the rim.
- o. **Yard Waste** – shall mean brush, leaves, grass clippings, garden, flowerbed vegetation and straw.
- p. **E-Waste** – shall mean waste household electronic items/ appliances.

### 3. DEPOSIT OF WASTE:

- a. All persons depositing waste at the waste transfer station(s) shall do so in accordance with this by-law and regulations contained herein, and in accordance with any applicable Environmental Act License, Environmental Law, and as established by Council.
- b. A person may only deposit waste in a container suitable for the purpose
- c. Waste may only be deposited at the facility on the days and during such hours of operation as determined by Council or a designate and advertised in the local paper, on the municipal website and posted at the waste transfer station.
- d. The Waste Transfer Stations will not accept Large Metallic Waste. (the items must fit in the transfer station bin – vehicles not permitted)

### 4. REGULATIONS & RESPONSIBILITIES:

- a. A person depositing waste must present their Waste Transfer Station Access Card to the Waste Transfer Station attendant or personal identification to confirm name on the property title.
- b. If requested the authorized user must demonstrate the nature and type of waste to be deposited. Waste Transfer Station Attendant may otherwise refuse entry to the Waste Transfer Station(s).
- c. Waste must be deposited upon, immediately adjacent to, or as near as possible where directed by the Waste Transfer Station Attendant.
- d. All metallic and bulky waste must be deposited within the separate area or areas of the Waste Transfer Station designated by the Municipality for depositing of such waste.
- e. Re-useable wastes must be deposited within the separate area of the waste transfer station designated by the Municipality for the depositing of such waste.
- f. E-Waste must be deposited within the separate area designated by the municipality. E-Waste can only be accepted at the PR 520 Transfer Station.

- g. Recyclable wastes must be deposited within the separate area of the Waste Transfer Station designated by the Municipality for the depositing of such waste.
- h. Yard wastes must be deposited within the separate area of the Waste Transfer Station designated by the Municipality for the depositing of such waste.
- i. Depositing of rubber tires will require removal of the rims. The rims shall be deposited in the appropriate location for metallic waste and the rubber tire in the area designated by the Municipality for tires.
- j. Waste Transfer Station 214 will only accept the following items:
  - i. Bagged household items
  - ii. Household recycling items
- k. All users must pay applicable fees set out in Schedule "A".
- l. The following methods may be use for the payment of fees at the #520 Waste Transfer Station – cash, debit cards or credit cards. Waste Transfer Station #214 will only accept cash.
- m. Large Volume Users may be considered on an individual basis for monthly invoicing as determined by Council Resolution. All outstanding amounts on approved accounts will be considered an amount owing to the Municipality and shall be collected in the same manner as municipal taxes.

#### **5. RESPECTFUL RULES OF CONDUCT:**

- a. Every Municipal stakeholder (ie: resident, property owner, ratepayer etc.) and municipal employee is entitled to participate in an environment that is respected and free of all forms of harassment, including sexual harassment and bullying.
- b. No person shall:
  - i. Display any disorderly conduct. Such conduct may cause Waste Transfer station access privileges to be revoked.
  - ii. Loiter at the Waste Transfer Station or in any way obstruct persons who are on the site or employed at the site.
  - iii. Disturb the peace and quiet of the staff or authorized users at the Waste Transfer Station.
- c. No person shall remove, damage, destroy, render illegible, deface, or otherwise interfere with a sign or notice posted within the Waste Transfer Station.
- d. No person shall salvage, pick over, scatter, or search in the Waste Transfer Stations unless said person has received prior authorization from the Municipality or the Municipality's designate.
- e. No person shall violate the regulations set in this by-law; a violation will result in the user being asked to remedy the violation.
- f. In the event a person violates the regulations set out in this by-law Council may by resolution prohibit access to the Waste Transfer Station and cancel the waste transfer station access card associated with their roll number(s).

#### **6. WASTE TRANSFER STATION ACCESS CARD:**

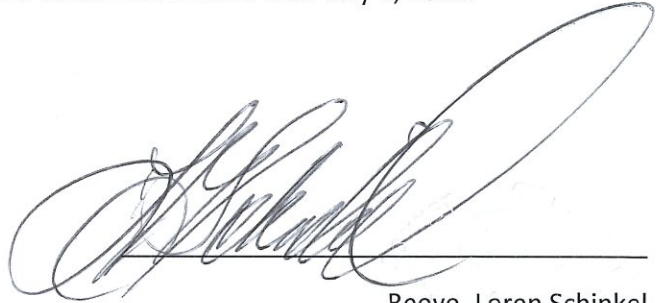

- a. All residential properties will be entitled to receive one (White in Colour) waste transfer station access card that will be electronically connected with the property roll number and permits the disposal of residential waste, fees are determined by the Municipality and set out in Schedule "A".
- b. If residents entitled to one transfer stations access card as determined in section 6(a) of this by-law, are the registered owner of multiple properties of any designation will receive one waste transfer station access card with all registered properties electronically connected with the property roll number(s). A supplementary card can be purchased at the Rural Municipality of Lac du Bonnet Administrative Office for a fee determined by the municipality set out in Schedule "A".
- c. Agricultural properties with a dwelling will receive one (White in Colour) waste transfer station access card that will be electronically connected with the property roll number and permits the disposal of residential waste, fees are determined by the Municipality and set out in Schedule "A".
- d. Agricultural properties without a dwelling will be provided with one (Black in Colour) waste transfer station access card with all agricultural roll numbers electronically

connected and will be permitted to dispose of only "Agricultural Waste", fees are determined by the Municipality and set out in Schedule "A".

- e. Commercial Property Owners will be provided with one (Black in Colour) waste transfer station access card. Commercial users will be charged fees determined by weight set out in schedule "A".
- f. Trailer park owners will be issued transfer stations access cards for each trailer site according to the required annual trailer count. Each transfer station access card will be electronically attached to the roll number associated with the property, it is the responsibility of the park owner to distribute access cards and manage access cards.
- g. In the event a replacement card is required (due to loss/misplacement/theft/title transfer) a fee determined by the municipality and set out in Schedule "A" shall apply.

**7. EFFECTIVE DATE:**

- a. This by-law shall come into force and take effect on and after July 1, 2021.
