TYPE OF FARMING ACTIVITY:

INTENDED USE OF STRUCTURE:

To be considered a farm building, a significant portion of income and time is to be associated with farming.

“farm building” means a building or part thereof which does not contain a residential occupancy, and which is associated with or located on land devoted to the practice of farming and used essentially for the housing of equipment or livestock, or the production, storage, processing of agricultural and horticultural produce or feeds.

DECLARATION

The undersigned hereby confirms that the above noted structure will be used for farming purposes only as described in the definition above.
