

Council Meeting Recap – Sept. 28, 2026

Stay up to date with RM of Lac du Bonnet Council business.

*The following is a brief recap of the **Sept. 28, 2026** Council Meeting. To see agendas for upcoming meetings (released Thursday afternoons prior to Tuesday meetings) visit <http://www.rmoflacadubonnet.com/p/agendas-minutes>.*

Council Decisions

Treaty Land Acknowledgement:

- Reeve and Council opened the meeting with a Treaty Land acknowledgement.

Airport drainage project approval:

- Council approved the [proposed land drainage system](#) at the south end of the Lac du Bonnet Regional Airport at an estimated cost of \$6,000.
- The expense will be funded through the \$400,000 Airport Infrastructure funding received from Manitoba Municipal and Northern Relations.

Awarding of gravel crush request for tenders:

- Council awarded the gravel crush RFT to Bird's Hill Gravel & Stone Ltd. for \$603,680 plus additional taxes.
- The RM maintains an extensive network of municipal gravel roads and thus requires a consistent and reliable supply of high-quality aggregate. To meet these infrastructure demands cost-effectively, the Municipality produces and stockpiles traffic gravel directly from the municipal pit.

Council orientation sessions:

- Council approved the proposals submitted by GovFox Municipal Consulting Incorporated to facilitate the Council orientation session and administration team charter session at a combined cost of \$3200 plus applicable taxes.

- Following the 2026 Municipal Election, the Council orientation session will support the onboarding of both newly-elected and re-elected Council members by providing an opportunity to review effective governance practices, clarify the role of Council, and establish a shared understanding of how Council can work effectively together. The administration team charter session will provide an opportunity to establish shared expectations regarding roles, responsibilities, communication, decision making, meetings, and conflict resolution.

Vessel Operation Restriction Regulations (VORR) amendment:

- Council requested that Transport Canada amend [the VORR](#) to correct the geographic coordinates contained in Schedule 6, Part 6, Item 3 and to add a corresponding wake surfing restriction under Schedule 7, Part 6.
- Council authorized administration to submit the resolution and supporting documentation to Transport Canada and to take all necessary administrative steps to advance the requested amendments.

Maximum Speed Limits By-Law Schedule A amendment:

- Council approved amending Schedule A of the Maximum Speed Limits By-Law No. 07-26.
- Schedule A now reads that Lee River Road's speed limit is 50 km/h from Meadows Drive to the western boundary of Wassahow Bay.

Lac du Bonnet Fire Department new hires approval:

- Council approved the applications of Daniel Nilsson, James Lamb, and Omer Lavoie to join the Lac du Bonnet Fire Department as firefighters.

Delegations

- There were no delegations before Council.

By-Law Readings

- Council conducted second and third reading of the new [Zoning By-Law 02-26](#).

Reports and Correspondence

- Council received the Two Rivers Seniors Resource Council [Annual Report for 2025-26](#) and the Sept. 17, 2025 [annual general meeting minutes](#).
- Council received the Northeast Red Watershed District board [meeting minutes](#) for July 22, 2026.
- Council received the Association of Manitoba Municipalities [September 2026 bulletin](#).

The next Council Meeting will take place on Tuesday, Oct. 6, 2026 at 3 p.m.
